TEST CASE ID	TITLE	CATEGORY	EXPECTED RESULT
TC-001	View own employee profile successfully	Positive	The employee's profile information (name, ID, department, contact details) is displayed correctly
TC-002	Edit and save own employee profile with valid data	Positive	Profile is updated, a success message is shown, and the new phone number appears on the profile view
TC-003	Attempt to save profile with mandatory field empty	Negative	An inline validation error is displayed stating that "First Name" is required and the profile is not saved
TC-004	Enter invalid email format while editing profile	Negative	Validation error message "Please enter a valid email address" is shown and the profile remains unchanged
TC-005	Upload profile picture exceeding size limit	Negative	Error message "File size exceeds the 5MB limit" is displayed and the upload is rejected
TC-006	Access another employee's profile via direct URL	Authorization	User is redirected to an "Access Denied" page or receives a 403 Forbidden response
TC-007	Session timeout while editing profile	Authorization	User is prompted to re-authenticate after successful login, the unsaved changes are discarded
TC-	Profile page load	Non-functional	Page loads and renders within 2 seconds under typical network conditions
